
Your creative genius is your special power – Art to Go helps you brandish that brilliance

Art to Go beckons with alluring opportunities to market yourself, generate new income, engage people in conversations and build your community. Our novel Art•Cards and Art•Tags and marketing solutions open a plethora of ways for your followers to display your creations in their hands and homes – keeping you in their minds and hearts and building richer relationships easily and at a low cost.

Our creative and marketing team works closely with you to complement and support your ever-changing endeavors and objectives – creating customized marketing, branding and loyalty solutions that capture and hold attention. Once you provide the artwork and select the desired solution, we do the rest.

- **Turn your works into art that fits in your hand.** Your artwork is lusciously printed on our Art•Cards and Art•Tags – creating products with a special collectible feel.
- **A private media channel.** Stay in touch and announce your latest. The back side of each card includes a QR code allowing you to deliver ever-changing exclusive content – special offers, sneak previews, interviews, videos & more – you name it, we link it. We create the codes and manage it, all at no cost to you.
- **Business cards, event tickets and announcements.** Art•Cards offer a singular and rather stunning opportunity to distinguish yourself. Available as single Art•Cards or sets that include an Art•Card and Art•Tag packaged in pleasing small translucent envelope. Completely affordable with volume based pricing.
- **Turn you art into magical affordable products.** Sell your Art to Go products on websites, in stores, at events and in galleries. Our products continually keep your art visible. Choose from attractively packaged Art•Cards and Art•Tags along with accessories, Rings of Art with Art•Tags and zipper pulls, Art•Card Pocket Journals. All affordable with suggested retail prices from \$3 to \$10.
- **Premiums and gifts.** Use any of the Art to Go products as a nifty way to reward your special supporters and fans – in a way that keeps reminding everyone why they like you.
- **Incremental and recurring revenue possibilities.** In addition to new income from selling your Art to Go products, you can use the QR codes to direct people to your online store to buy more of your art or to take advantage of ever-changing special offers and flash sales.
